The World Lebanese Cultural Union, Toronto Chapter, would like to sincerely thank you for supporting our event in the celebration of Lebanon's 69<sup>th</sup> Independence Day at Queen's Park.

We were so blessed by the presence of many Canadian and Lebanese dignitaries and members of the Lebanese community, who have taken the time to attend the event. We are also very thankful for receiving letters and e-mails from many officials wishing us a happy celebration. Thank you to the WLCU World President Mr. Michel Doueihy who came all the way from Australia accompanied by his wife to join us in the commemoration of this very special event.

Your support helped us highlight the importance of staying connected with our Lebanese roots, and to demonstrate our commitment to working closely with our Canadian counterparts for the success of both countries. Our Lebanese community has been recognized for contributing immensely to the cultural, economic and the social life of Canada.

Also, we would like to thank the representative of the Premier of Ontario Mr. Charles Souza and the representative of the Progressive Conservative leader MPP Vic Fedeli for attending our event and conveying the greeting letters to WLCU from their respective leaders. In addition, we would like to thank all government officials and the Embassy of Lebanon for providing their Congratulation Letter to the Lebanese in Ontario and WLCU.

Finally, thank you to Queen's Park Protocol office for their great support and professionalism for making this event a great success.

Thank you again, and hope to see you at our next year's event!
