Department of Public Information of the United Nations

RE: *projecting a Lebanese Cultural movie in the UN Headquarter in NY under the auspices of the DPI.*

Dear Ms. Chavez,

The World Lebanese Cultural Union ( WLCU), a proud associate of the DPI, is always committed to disseminate information and to raise public awareness about the purposes and the activities of the United Nations and issues of global concern; to be able to be well informed, we strive to attend all international meetings as well as the weekly NGO briefings.

Our representative, Mr. Sid Chidiac, has initiated a verbal request to screen a Lebanese Cultural film entitled "**Safar Barlek**" under the auspices of the DPI. The WLCU will bear all expenses associated with this event. The WLCU will pay for the rental cost of the hall, technician costs, printing of tickets, and promotion materials, as well as for the cost of a reception to be held after the screening.

In other words, we will cover all expenses to be incurred; we only need your moral support and patronage for this cultural event.

This event is by invitation only. Thus, it would be a great idea to hold it at the evening of the orientation session on June 1<sup>st</sup>, 2011 or June 2<sup>nd</sup>, where it would be an awesome opportunity for all the NGO delegates to attend the movie and the reception.
